

Remarks:

Claims 1-32 are pending in this application. Applicant has amended the claims to delete multiple dependencies to reduce the filing fee. Applicant has also amended the claims to delete reference characters. The present invention is not limited to any embodiment described in the specification or shown in the drawings. Furthermore, Applicant has amended the claims to bring them more in line with typical U.S. format. Additionally, Applicant has amended the specification to add cross-reference to the priority application. Furthermore, Applicant presents an abstract of the disclosure herewith on a separate sheet.

The undersigned authorizes the Commissioner to charge fee insufficiency and credit overpayment associated with this communication to Deposit Account No. 22-0261.

Respectfully submitted,

Date: 12/27/05
